manufacturer all kinds of kids toys

Who We Are

ABOUT US

Payal Plastic, based in Salkia, Howrah, is a trusted name in the world of toys with over 25 years of combined experience. Founded by Mr. Pintu Sarkar, the company has earned a strong reputation for delivering BIS-certified, safe, and high-quality toys that bring happiness to children across India. At Payal Plastic, we beautifully blend traditional craftsmanship with modern manufacturing excellence, ensuring every toy is not just durable, but also a source of joy, imagination, and learning.

OUR CREATIONS

Our wide product range includes Bigul products, China toys, Cars, Trucks, Puzzle sets, Arrow toys, Educational toys, and more. From pull-line cars to light-up and sound toys, we continuously design and introduce innovative collections that match the latest trends and excite young minds.

We take Pride in being the First Manufacturer of Bigul products in India. Over the years, many others have entered the market, but what truly sets us apart is the unmatched quality, finishing, and durability of our products. Payal Plastic remains the top choice for customers who value trust, originality, and excellence.

OUR JOURNEY, OUR REACH

What began as a small manufacturing unit in Salkia, Howrah, has today grown into a trusted brand with a strong footprint across India. Our toys are proudly 100% Made in India, supporting the Vocal for Local initiative, while also catering to the growing demand for China toys. Today, Payal Plastic serves retailers and distributors across West Bengal, Assam, Odisha, Bihar, Punjab, Delhi, Maharashtra, Tamil Nadu, and beyond.

OUR DREAM – THE VISION

To be recognized as India's most loved and reliable toy brand, creating safe, innovative, and delightful toys that inspire smiles, learning, and imagination in millions of children.

OUR PROMISE – THE MISSION

- Manufacture diverse and BIS-certified toys that balance fun, safety, and learning.
- Promote local employment and follow ethical, responsible production practices.
- Build long-term trust with retailers and distributors by offering affordable yet premium-quality products.
- Continuously innovate by introducing trend-driven toys without compromising on safety or quality.
